experience

space

international

a four year
education after
high school

someone from 13
to 19 years old

choice

being able to see

someone who
cannot see

travel

visiting famous
and beautiful
places

to get older and
become an adult

very happy about
something

someone or
something that
goes together

without gravity/
nothing pulling
you down

until finished

our home planet

very unusual

to practice and get
ready to do
something

two or more
countries together

everything far up
above the Earth

events and
activities in your
life

cliff

to cook in an oven

to use thread to
connect cloth
together

a woven container

to not do/to stay
away from

an activity that is
important to a
group of people

in a clear and
direct way

power you can
save in a battery or
send over a wire to
do work

horses pull this
and people ride in
it

part of a nation
like the US

outside the city
and near nature

an ability to do
something easily

to think something
or someone is true

try

in trouble with no
way out

far

a high place that
goes straight down

someone who
leads a group of
travelers

events and people
in the past

competition

proud

forever

disappointed

tough

responsibility

expect

however

tiger

shy

principal

frozen

consider

simple

without end

happy that you did
something well

a contest or game
that you can win

hard to do

unhappy because
something did not
happen

questions to see
how much you
know or what you
can do

but

to think something
will happen

your tasks or
things others do
not do for you

the person in
charge of a school

quiet in front of
new people

a big striped wild
cat

easy

to think about
doing something

stable or not
