Pair work

* Take turns asking & answering questions about Alfred's family.

Examples: Student A: "Who is Jim Barton?" Student B: "What is his cousin's name?"
 Student B: "He's Alfred's uncle." Student A: "His cousin's name is Sally."

Families: family tree

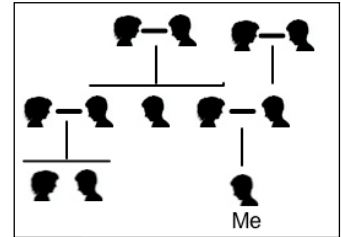

(page 2/2)

Speaking

Family tree

1 Draw your family tree, but **do not** write any names!

Example:

Names

2 Write a list of names of all the people on your family tree. *(Mix-up the names!)*

Pair work

3 Exchange worksheets with your partner. Ask questions, and write the names in the correct place on the family tree.

Examples: Student A: "Who is Akiko Yamada?"

Student B: "What's your cousin's name?"

Student B: "She's my aunt."

Student A: "Her name is Kumiko."

(After you have written all the names in the correct place, give the worksheet back to your partner.)
