Said I may not dress in style as the men in your _____ do
But I sure know what to say: I love you

I wanna love you in the _____
Love you in the evening too
Even when you're _____
I'll make you happy when you're feeling blue

I'm just a stranger in your town
Once in a while I _____ around

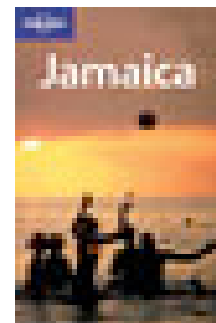

Now I may not be familiar with your _____,

Do I may not dress in style as the men in your _____ do
